

Adding Supplements to the Medication List in a Patient's Chart

07/08/2024 7:57 pm EDT

You can add supplements to a patient's medication list just as you would any other medication.

Navigate to the patient's chart. Select **Medication List** from the menu on the left. Next, click **+Add Medication**.

Active Medication Orders

Medication	Rxnorm	Dispense	Refills	SIG	Order Status	Date †	Updated	
<input type="checkbox"/> amoxicillin 250 mg oral capsule	308182	20.000		2 a day	Prescription Printed	01/14/2021+	01/14/2021
