

DrChrono Payments: Stripe business verification

Last modified on 09/18/2024 2:09 pm EDT

While opening an account to process patient payments, Stripe may need additional documents for business verification. Here is a list of documents they deem acceptable for providers in the United States.

Below is a listing of documents that Stripe can accept as **proof of identity**, address, and entity. Some forms of documentation require scans of both the front and back of the document. For these, use the `document_back` parameter to provide the back of the document. Unless explicitly noted, only a scan of the front of the document is required.

Acceptable forms of identification:

- Passport
- Passport card
- Driver license
- State issued ID card
- Resident permit ID / U.S. Green Card
- Border crossing card
- Child ID card
- NYC card
- U.S. visa card

Acceptable forms of legal entity verification:

- IRS Letter 147C
- IRS SS-4 confirmation letter
