

# Photo and video resources for your notes

07/08/2024 8:00 pm EDT

With DrChrono, you can take advantage of the "free draw" feature we've built in the new template builder. Here, you can upload custom PDFs and pictures! Here's a list of medical photo and video resources that might be valuable in making *your* unique practice management system.

**Note:** Video files cannot be used in Freedraw fields in clinical notes.
