## How do I update my specialty?

07/08/2024 8:01 pm EDT

In DrChrono you are able to customize your profile whenever changes are necessary. Please follow the steps below to change your specialty.

1. Hover your cursor over the Account tab in your menu bar, and select Settings from the drop-down menu.

Account	Help 🌹					
PROVIDER SETTINGS						
Account Settings						
onpatient Settings						
Account Setup						
Custom Fields						
Copy Dashboard (Beta)						
API
