

# Bulk Schedule Appointments

07/08/2024 8:01 pm EDT

You can schedule multiple appointments at once with our bulk appointment tool. You have the option to schedule appointments in sequence or at the same time.

1. Go to **Schedule > Bulk Appointments**.

1. First add the patients you want to schedule

## Bulk Schedule Appointments ?

A screenshot of the 'Bulk Schedule Appointments' interface. On the left, there's a 'Choose Patients' section with a search bar containing 'alex'. Below the search bar, a list of patients is shown: Jennifer (Je), Alexis Wu (11/17/1969), Michelle Harris, and Edward James. Each patient name has a red 'x' icon to its right. On the right, there's an 'Appointment Details' section with various fields: Office (dropdown: -- select an option --), Examroom (dropdown: Exam 1), Appointment Profile (dropdown: -----), Date (text: 10/19/2021), Time of 1st Appointment (text: 6:00AM), Duration (text: 30), Reason (text: ), Color (color picker: orange), and Note (text: ). At the bottom, there are two checkboxes: 'Enable Group Booking' (unchecked) and 'Recurring Appointment' (unchecked). A blue 'Schedule Appointments' button is located at the bottom right.

2. Next, you'll need to fill out the appointment details. Select **Schedule Appointments** when finished.
