Yes! You can add any information that the payer may need when adjudicating the claim can be added to appear in box 80 on the UB04 form.

1. Navigate to **Billing > Live Claims Feed > Inside patient's appointment > Info tab**

If you need additional room, pull down on the right corner (by the blue arrow) and the box will expand to allow for additional room.

The screenshot shows the 'Info' tab of a UB04 form. The 'Remarks' field is highlighted with a red border and is expanded. A blue arrow points to the bottom right corner of the expanded field, indicating where to click to expand it further. The form includes various fields such as Claim Type, Facility Type, Care Type, Billing Sequences, Stm Cover Period, Adm Date & Hour, Type of Admission, Point of Origin, Discharge Hour, Pt Discharge St, Principal Dx Code, Admitting Dx Code, Reason for Visit, and Exter Cause of Inj.

Information added to this box will appear in box 80 on the UB04.
