## Printing and Downloading Your Clinical Notes

07/08/2024 8:01 pm EDT

You can print all of the clinical notes for a particular patient or group of patients based on criteria available in the Clinical Notes section of the software.

Follow the steps below to generate a message in your Message Center with the clinical notes available to download and print.

## **Generating a Printable PDF**

• To begin, mouse over the Clinical tab in your navigation bar and select Clinical Notes.
