

July 2024

09/09/2024 4:29 pm EDT

Missed our July Empower Session? Watch the recording to catch up. See below for the topics covered.

- **New Modernized Dashboard:** Streamline clinic operations with key information and actionable workflows for appointments, messages, billing, and tasks.
 - **Integrated Payments Enhancements:** Simplify payment processes with new features like payment plans, text-to-pay, and location-based merchant accounts.
 - **Advanced Reporting:** Gain deeper insights with new reports for Financial Transactions and Accounts Receivable, replacing the existing Day Sheet and AR reports.
-
