A Support representative may have to investigate or escalate the issue. If necessary, the representative will transition your chat into a case and follow up with you on the next steps.

The chat form is always available; however, you can create a case during non-chat hours for the Support team to address during [regular business hours](#).

If chat volumes are too high, chat support is temporarily disabled. You can still [create a case](#) or [call us](#) at 650-988-5379 during [live phone support hours](#).

For complex issues or to speak with a Support representative directly, call 650-988-5379 during live phone support hours.

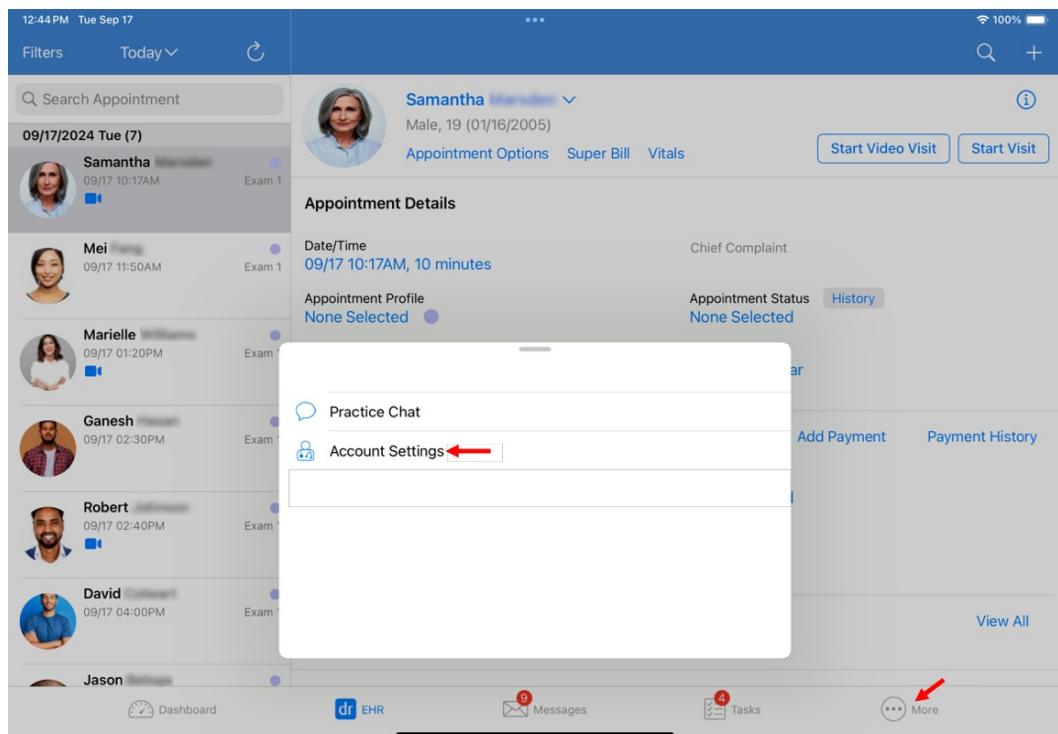

Have your **Support PIN** ready when you call our Support team.

If you contact Support via voicemail during or after business hours, leave us a message with the following information:

- Your name
- Your email address
- Name of your practice or company

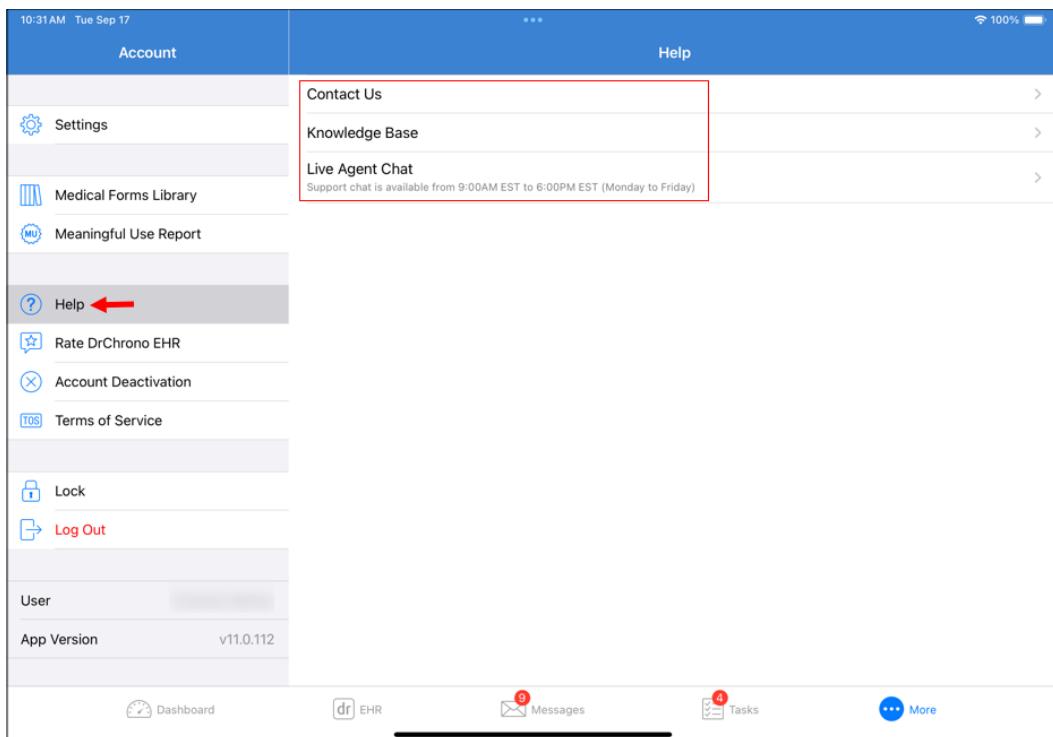

Mobile application support

1. To access Support features within the DrChrono mobile application, tap **More > Account Settings**.

2. Tap **Help** on the left pane.

3. You can create a case by tapping **Contact Us**, go to our knowledge base by tapping **Knowledge Base**, or chat live with a representative by tapping **Live Agent Chat**.
