

# B10 Exporter Media File Mapping

Last modified on 11/07/2024 4:40 pm EST

[EHI Export: Overview](#)

Media files for the B10 data extraction tool will have a filename as shown in the exported\_documents folder and a more descriptive URI when described in the CSV files.

Example:

The file `00cb030b6ee84b13bd692577c733e6af.pdf` can be found at:

```
doctors/exported_documents/education_resource_files/00cb030b6ee84b13bd692577c733e6af.pdf
```

However, the same file is described in the `doctors/education_resource_1.csv` data file as:

```
clinical/education/00cb030b6ee84b13bd692577c733e6af.pdf
```

Notice that we add two namespaces, `clinical` and `education` before the filename. Below are the patterns for each media file and how to find them in the CSV data files.

## 1. Consent Form Files - *consent\_forms\_file*

Data File: `consent_forms_<index>.csv`

Media file root: `/doctors/exported_documents/consent_forms_files`

File URI format: `hipaa_forms/<year>/<month>/<filename>.<extension>`

- `hipaa_forms/2019/03/08fc5657-b113-4051-a341-cba603e0a59b.pdf`

Example:

File: `/doctors/exported_documents/consent_forms_files/08fc5657-b113-4051-a341-cba603e0a59b.pdf`

Entry in data file:

- `consent_forms_1.csv`
- `39:False,False,2019-03-28 08:53:37,240601,220271,True,0,Doc Allemend release,2020-03-18 14:49:47,hipaa_forms/2019/03/08fc5657-b113-4051-a341-cba603e0a59b.pdf`

## 2. Education Resource Files - *education\_resource\_file*

Data File: `education_resource_<index>.csv`

Media file root: `/doctors/exported_documents/education_resource_files`

File URI format: `clinical/education/<filename>.<extension>`

- `clinical/education/00cb030b6ee84b13bd692577c733e6af.pdf`

Example:

File: `doctors/exported_documents/education_resource_files/00cb030b6ee84b13bd692577c733e6af.pdf`

Entry in data file:

- `education_resource_1.csv`
- `4:False,0,2023-02-23 14:41:20,,238659,0,application/pdf,clinical/education/00cb030b6ee84b13bd692577c733e6af.pdf,,18108,,[],english,,private,0,drchrono,False,Importance of Lifestyle Decisions,2023-02-23 14:41:20,`
