

Appointments Analysis: Details Tab

Last modified on 11/12/2024 2:13 pm EST

The details tab of the Appointment Analysis report will list additional information that makes up the parameters set for the report.

The screenshot shows the 'Appointment Analysis' report in the 'Details' tab. It features a 'Controls' section with filters for Date of Service, Provider, Office, Appt Status Group, Day of Week, and Time of Day. Below the controls is a table with columns for Date of Service, Scheduled Time, Provider Name, Patient Fullname, Office Name, and Appt Status. The table contains two rows of data.

Date of Service	Scheduled Time	Provider Name	Patient Fullname	Office Name	Appt Status
Mar 18, 2024	2:20pm			D Inpatient Hospital	
Jul 11, 2024	1:15pm			D Inpatient Hospital	

Hovering in the top right corner of the report will expose an option to maximize the screen, sort by specific column, or export to CVS or MS Excel.
