OutcomeMD set up with DrChrono

Setting Up DrChrono with OutcomeMD

Download The App

Click **HERE** to log in via Single Sign On

- You must have Provider permission in DrChrono in order to install
- Click on **Sign in with drchrono**.

- From here, authorize the app.
- Once you've logged in and clicked on the OutcomeMD app under any patient, then you will receive a BAA to sign.
  - If you are not the individual responsible for signing BAA's for your practice, you can easily submit the proper person's email address from this screen and OutcomeMD will automatically send the BAA to this individual for signature.

Login & Setup Your Center

1. After the app has been authorized, you can log into the system through DrChono.

2. To do this, log into DrChrono and get into a patient's chart by either:

   a. **Searching** for a **patient** and selecting them

      i. If on the patient list, once in, scroll to the bottom of the side left panel and look under**App Directory.**
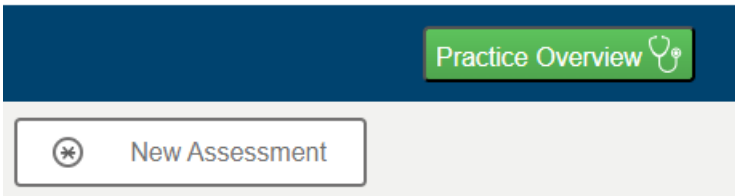

b. Access the patient through their appointment date within the schedule and **accessing their clinical note.**

      ii. If within their clinical note, click on **Apps**.

3. Select **OutcomeMD**.

4. Select **Practice Overview** to be taken to OutcomeMD's portal outside of drchono.

5. Next head over to **Settings** (*Gear icon in upper right-hand corner*)

   a. If you are responsible for setting up the portal, click **My Center** first.

      i. Please be sure to set up the Center's:

- **Additional Settings**

        - Enable **Adverse Life Events** and **Patient Compliance**

Every patient follow up survey will include questions to assess the patients compliance with your provider's treatment plan & their adverse life events

- **White Labeling**

▼ White Labeling

Note: For White labeling purposes, please upload two logos, one 200 x 150 pixels and one 150 x 22 pixels. These will be used in patient facing areas. Accepted file formats are: PNG, JPG, JPEG, and GIF

200 x 150 pixel logo

150 x 22 pixel logo
