

# DrChrono Immunization Registries Sign up

Last modified on 01/13/2025 3:44 pm EST

## Sync to Immunization Registries within DrChrono

Easily connect to your practice's state immunization registries with integration powered by Iron Bridge.

Follow [this link](#), and click "get started" and submit the practice's primary point of contact.

The DrChrono team will follow up to discuss this functionality and next steps.
