

# Adding a subscription membership to a patient's account

Last modified on 03/10/2025 11:33 am EDT

This feature is currently in beta.

Once the subscription/membership plan is established, it can now be added to a patient.

1. Navigate to a patient's chart via **Patient > Patient List**.
2. Select the **Demographic** tab from the list on the left of the screen.
3. A heading for Patient Payment Plans and Patient Memberships is directly under the balance section.
4. To add a Subscription/Membership, press **+ New Payment Plan**.

11. The down arrow to the left of the Creation Date will list all upcoming payment dates and amounts. It will also allow you to exclude the subscription/membership from their patient statement so charges for the subscription/membership plan are kept separate from any other charges they may have with your office.
