

Utilization Analysis Report: Overview

Last modified on 02/24/2025 7:53 am EST

The Utilization Analysis report will allow you insight into appointments scheduled and billable and those that were rescheduled, canceled, or were no-shows. The information can be viewed by a date range, provider (single, multiple, or all), or office (single, multiple, or all).

Utilization Analysis

Summary Details

Controls

Start Date: End Date: Provider: Office: Group By: Sub Group By:
