Post Widget

The post widget on your dashboard will show you Unmatched ERAs, Unallocated Payments, and Patient Payments for 30, 60, 90, or 120 days. To enable this widget:

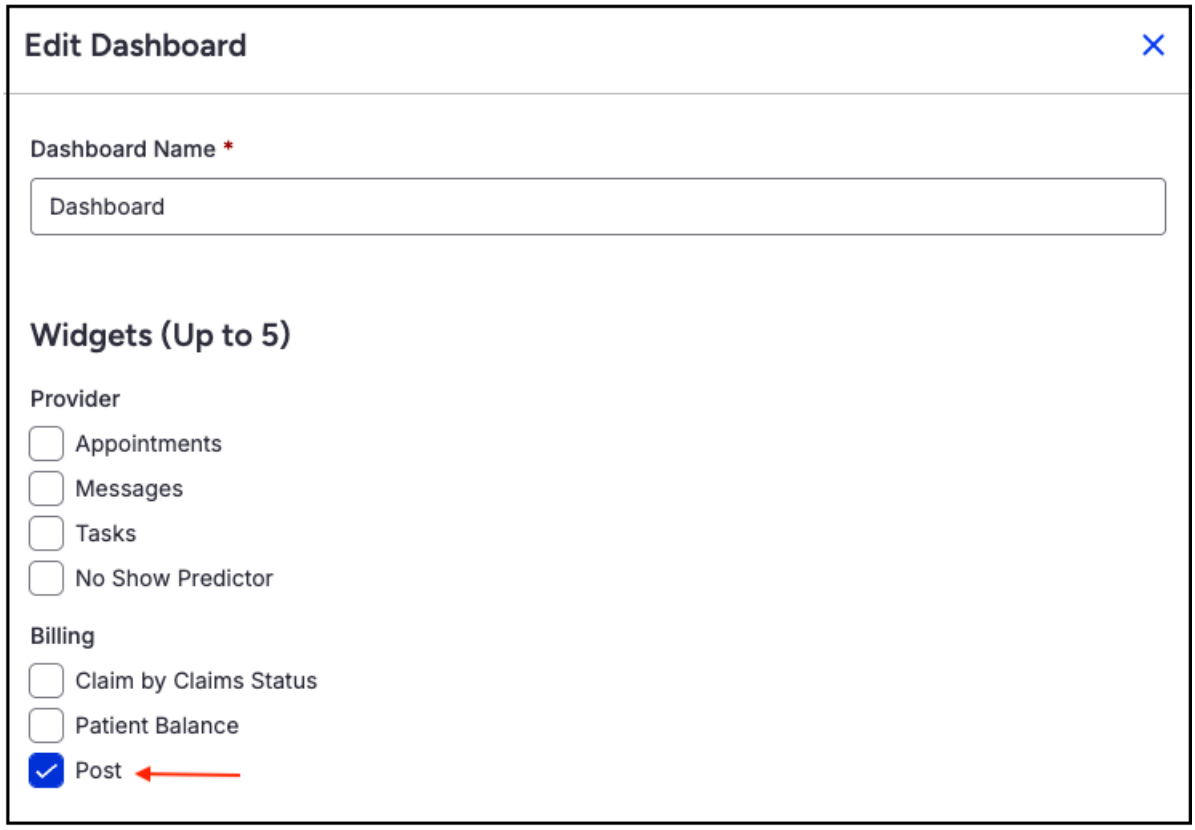

1. Press the gear icon on your dashboard **(Schedule > Dashboard)**.

2. Select the **Edit** pencil.

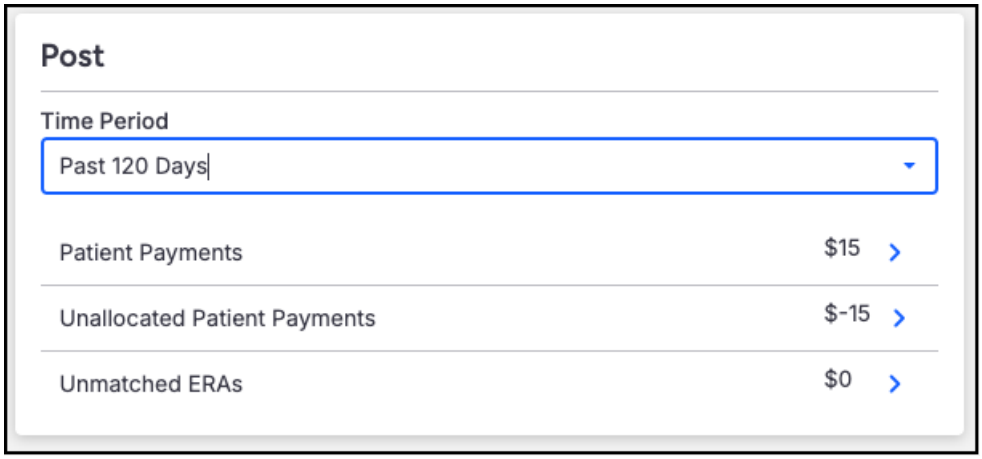

3. Select the Post widget by checking the box to the left of the name.

4. The Post widget should now show on your dashboard.
5. On the Post widget, use the down arrow to select past 30, 60, 90, or 120 days data to display.

6. The right-facing arrow on the Post widget will show additional information that makes up the figure displayed.

7. The Patient Payment right-facing arrow from above will take you to the Patient Payments window where you can see additional details.
