Providers that currently use DrChrono patient statements now have access to an enhanced patient statement delivery system designed to improve engagement and reduce costs. This new multi-channel solution automatically delivers statements through a strategic sequence of communication methods—text message/email and physical mail—ensuring patients receive their statements as effectively and efficiently as possible.

How It Works

The process begins by checking the patient's chart for a valid mobile number.

- If one is found, a digital patient statement is sent via **text message**. If the patient does not open the text, the system will follow up in 2-3 days with a reminder text. If another 2-3 days pass without the patient opening the text, a paper statement will be mailed.

If a valid mobile number is not found, the system will check for an email address.

- If one is found, an electronic patient statement is sent via email. If the patient does not open the email, the system will follow up in 2-3 days with a reminder email. If another 2-3 days pass without the patient opening the email, a paper statement will be mailed.

If neither a valid mobile number nor an email is found in the patient's chart, a paper statement will be mailed.

If the patient opens either the text or the email, the process stops, indicating that the statement has been successfully received. No paper statement will be sent.

This layered approach ensures reliable delivery while prioritizing speed and cost-effectiveness. The process depends on the patient's chart, including a valid mobile phone number and email address. If the mobile phone number is missing, the process will move to an emailed statement. If the email address is missing, the process will move to a printed statement.

Documentation in the patient's chart

To see which type of statement your patient received:

1. Navigate to the Patient's Chart
2. Select Demographics
3. Select the Balance tab

4. Scroll down to the Last Patient Statements section

Demographics

✓ Sufficient patient demographics to bill insurance.

Important	Demographics	Insurances	Authorizations	Smoking Status	Flags	Balance	DrChrono Payments
-----------	--------------	------------	----------------	----------------	-------	---------	-------------------

Patient Account Balance

Total Billed	\$1,350.00	Total Allowed
Total Allocated	\$100.00	Total Adjustment
Total Patient Paid:	\$100.00	Total Insurance Paid
Patient Balance:	\$75.00	Insurance Balance:
Last Patient Payment:	\$50.00 posted on 11/20/2023	Next Appointment:

Patient Follow-Up

Statement Date	Statement Amount	Notes	Follow-Up Date
No Patient Follow-Ups			

Last Patient Statements

Under the Type column, you will initially see one of two entries: print or mail.

- If the type states Print, the statement PDF has been generated and is in your mailbox.
- If the type states Mail, the system will try to send out a text and/or email, depending on the information listed in the patient's chart. If the patient has a phone number or email listed and they open the link, the process stops, and the type column will be updated. If there is no phone number or email listed, the statement will be dropped to paper and mailed to the patient.

Last Patient Statements						
Last Statement Date	Status	Created By	Type	Balance	Action	
Sept. 9, 2025			Print	\$110.00	Show PDF	Follow Up
March 25, 2025	Printed		Mail	\$110.00	Show PDF	Follow Up Link

Sept. 19, 2025			Print	\$388.00	Show PDF	Follow Up
Sept. 16, 2025	Delivered		Text	\$388.00	Show PDF	Follow Up Link

OnPatient

If you have OnPatient enabled for your DrChrono account, patients who open the text or email statement will be taken to the OnPatient portal to submit an electronic payment.

If you do not have OnPatient enabled for your DrChrono account, the patient will receive a copy of their statement via text or email.

Flexible, Outcome-Based Pricing

The pricing for these enhanced statements is based on the method by which the patient ultimately receives and engages with the statement:

- **\$0.59 per statement** if the patient opens either the text or email
- **\$0.90 per statement** if a paper statement is sent

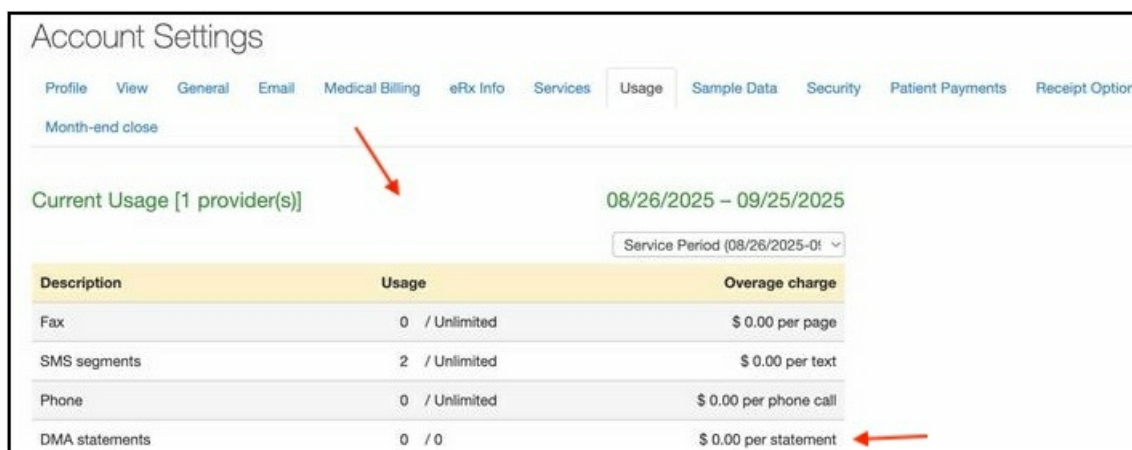

This tiered pricing structure rewards digital engagement by lowering the delivery cost while still ensuring traditional mail is used as a backup when needed, if there is no mobile number or email included on the patient's chart.

**** If you are an Apollo Plus customer, the above statement costs do not apply to your account. ****

Usage

To monitor the usage and successfully sent text/email statements, you can see the data in your account.

- Navigate to Account > Account Settings > Usage tab

The screenshot shows the 'Account Settings' page with the 'Usage' tab selected. A red arrow points to the 'Usage' tab. Below the tab, there is a section for 'Current Usage [1 provider(s)]' with a date range of '08/26/2025 - 09/25/2025'. A dropdown menu for 'Service Period (08/26/2025-09/25/2025)' is visible. Below this is a table with three columns: 'Description', 'Usage', and 'Overage charge'. The table lists four items: Fax, SMS segments, Phone, and DMA statements. A red arrow points to the 'Overage charge' column for DMA statements.

Description	Usage	Overage charge
Fax	0 / Unlimited	\$ 0.00 per page
SMS segments	2 / Unlimited	\$ 0.00 per text
Phone	0 / Unlimited	\$ 0.00 per phone call
DMA statements	0 / 0	\$ 0.00 per statement

Benefits for Providers

- **Cost Savings:** Reduce statement delivery costs by encouraging digital adoption.
- **Faster Payments:** Digital delivery typically results in quicker patient responses and faster collections.
- **Environmental Impact:** Minimize paper usage by leveraging digital communication first.
- **Automated Workflow:** Let the system handle the delivery sequence without staff intervention.

Turn on/off enhanced patient statements

If you would like to turn off enhanced patient statements, it can be done by navigating to **Account > Account Settings > Medical Billing Tab > Patient Statement section**. Unchecking the box will turn off enhanced patient statements. Please note that this option will only appear on the Primary Provider's view. Turning it off will turn off enhanced patient statements for all providers in the office.

Patient Statement

Business Logo	<input type="text" value="Top Left"/>	Include Business Logo in patient statements.
Pay to Address	<input type="text" value="-----"/>	
 Enhanced Statements	<input checked="" type="checkbox"/>	Enable enhanced statements (Text/Email) for the entire practice.
Use Office Name	<input type="checkbox"/>	Use the Practice Official Name (if available) for patient statement and payment receipt.
