## Calendar Settings

Setting	Description
Display flag icon on appointment	Show the flag  icon on <b>Calendar</b> appointments when a patient has a flag in their chart or appointment. See the image in the next row. <a href="#">What do the lock and flag icons on my appointments mean?</a>
Display lock icon on appointment	Show the lock  icon on the <b>Calendar</b> appointment when the clinical note is locked.  <a href="#">What do the lock and flag icons on my appointments mean?</a>
Use new dashboard homescreen	Set the <b>Dashboard</b> or the <b>Calendar</b> as your default landing page. If you set the <b>Dashboard</b> as the default landing page in <b>Account Settings</b> , it's also set in <b>Dashboard Settings</b> .
Show user satisfaction survey	Opt in to receiving user satisfaction surveys.
Default Office	Set the default office in the <b>Calendar</b> . The default office determines which office location is listed in the provider's contact information on documents such as referrals and C-CDA files.
Additional Offices	Providers can manage their office associations in their practice group by adding or removing offices. Archived offices do not appear in the dropdown. Any changes made here is automatically reflected on the <b>Offices</b> page ( <b>Account</b> > <b>Offices</b> > <b>Edit</b> (for a specific office) > <b>Providers</b> tab). <div> While this update is currently focused on allowing providers to indicate their office affiliations, it also lays the groundwork for the future ability to limit provider availability by office. At this stage, it's purely a UI update to allow providers to set their preferences ahead of that transition.</div>
Duration of Exam Duration of Follow-up Examroom Calendar Increments	Set the default duration for exams, follow-ups, and calendar time increments when scheduling appointments for the provider. <a href="#">Setting a Default Appointment Time</a>

Setting	Description
