Reorder or show/hide practice dashboards

You can choose which practice dashboards are visible and arrange them in your preferred order.

To get started, from the **Dashboard** (**Schedule** > **Dashboard**), select the gear icon ⚙ to open the **Dashboard Management** side panel.

From there, you can:
- **Reorder dashboards:** Hover over the drag handle ⠿ (you'll see the cursor change), then select and drag to move dashboards into your preferred order.
    - Dashboards appear from left to right based on their order from top to bottom in this list.
- **Show or hide dashboards:** Select the eye icon 👁 to show a dashboard, or the crossed-out eye 👁̸ icon to hide it.

Delete a practice dashboard

1. From the General Management **Dashboards** page, select **Delete** for the specific dashboard.

2. Select **Delete Dashboard** to confirm the deletion.

   The dashboard is removed from the dashboard list.
