Update Your OnPatient Account Details

Last modified on 09/23/2026 5:04 pm EDT

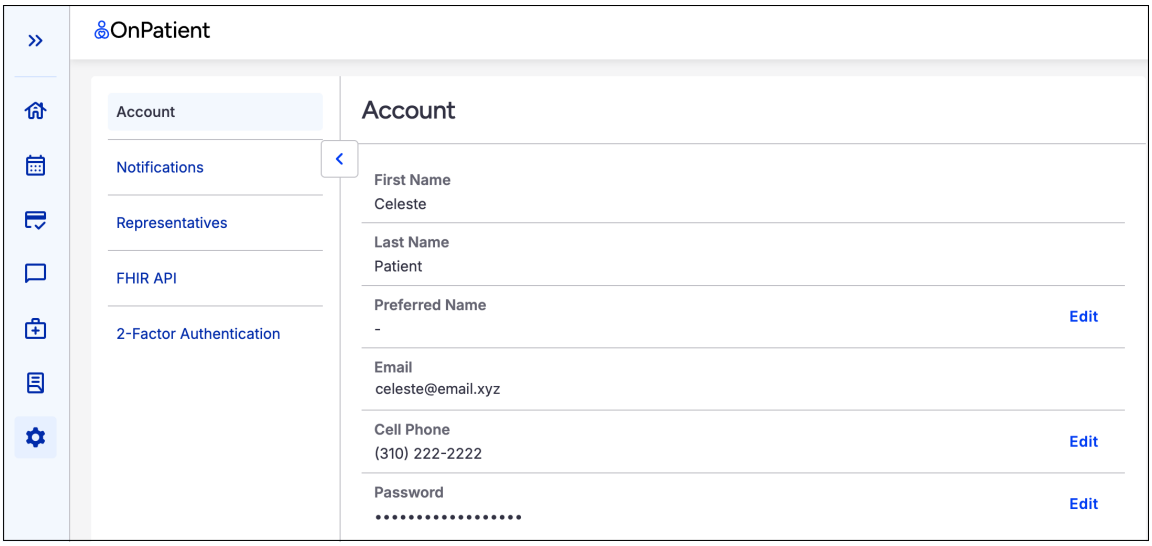

> **About the new OnPatient portal experience**
> The redesigned OnPatient portal experience is currently in beta and available to select early-access users. This knowledge article may be updated as the portal experience evolves.

Change your password | Update your cell phone number | Update your preferred name

You can edit your password, cell phone number, and preferred name in the **Account** section of **Settings**.

Go to Account

Select **Settings** > **Account**.

Change your password

1. Select **Edit** in the **Password** row to open the **Edit Password** window.
2. Enter your new password, and then enter it again to confirm.
3. Select **Save Changes**.

Update your cell phone number

1. Select **Edit** in the **Password** row to open the **Edit Cell Phone** window.
2. Enter your password.
3. Enter your new phone number, and then enter it again to confirm.
4. Select **Save Changes**.

Your cell phone number is also updated in your patient chart in DrChrono.

Update your preferred name

1. Select **Edit** in the **Preferred Name** row to open the **Edit Preferred Name** window.
2. Enter the name you'd like to be called.
3. Select **Save Changes**.

Your preferred name is also updated in your patient chart in DrChrono.
