

S710 Card Reader: Manage Your Devices

Last modified on 09/09/2026 2:42 pm EDT

Once you connect an S710 card reader to your practice, you can rename it, update the merchant accounts it's connected to, or remove it if it's no longer in use.

View your devices

1. Select **Account Settings > Patient Payments**.
2. Scroll to the device list to view every device connected to your practice, including each device's name and connection status.
- 3.

The screenshot displays the DrChrono Account Settings page, specifically the Patient Payments section. A red arrow points to the 'Patient Payments' tab in the top navigation bar. The page shows various settings for payments, including a 'Merchant List' table with columns for Merchant ID, Display Name, and Action. Below this is a 'Device List' table with columns for Device Name, Connection Status, Connected Merchants, Last Transaction, Date Activated, and Action. The 'Device List' table is highlighted with a red border.

Device Name	Connection Status	Connected Merchants	Last Transaction	Date Activated	Action
Some Device 1 Serial Number: 1234567890 Model: S710	Connected	• Some Merchant 1 • Some Merchant 2	12/12/2025, 11:24 AM	01/01/2025	Edit Delete
Some Device 1 Serial Number: 1234567890 Model: S710	Disconnected	• Some Merchant 1 • Some Merchant 2	12/12/2025, 11:24 AM	01/01/2025	Edit Delete

Edit a device

1. In the device list, select **Edit** next to the device you want to update.

Device List					Activate New Device
Device Name	Connection Status	Connected Merchants	Last Transaction	Date Activated	Action
Some Device 1 Serial Number: 1234567890 Model: S710	Connected	- Some Merchant 1 - Some Merchant 2	12/12/2025, 11:24 AM	01/01/2025	Edit Delete

1. Update the device name, idle message, or connected merchant accounts.
3. Select **Save**.

Remove a device

1. In the device list, select **Delete** next to the device you want to remove.
2. Select **Delete** again to confirm.

Are you sure you want to delete the following device?

Device Name	Some Device 1
Serial Number	1234567890
Model	S710
